

We are starting the 6th annual ukulele club at Discovery Elementary! This after school club will teach students to play the ukulele, learn about past and current players and as many tunes as we can. The experience will also reinforce the student’s classroom curriculum. We’ll discuss and explore the science of sound and how it relates to the ukulele, and how the world’s cultural exchanges affected the ukulele’s creation and its use around the world. The club is open to any fourth and fifth grade students. **Keep in mind that all fifth graders will get ukulele instruction as part of the regular music curriculum this year for free!! They can still join ukulele club for some extra play and practice.**

Dates and Times

We will meet each Wednesday at 4:00PM until 5:00PM in the music room. I ask that they bring a small snack to get them through the hour. SESSION 1 will be **September 23, 2015 through January 27, 2016.** SESSION 2 will be **February 3, 2016 through May 25, 2016.**
